Hooks ISD Family,

March 15, 2020

All campuses will continue class on Monday, March 16. It is important to note that student attendance is at the parents' discretion. The district will not allow the absence to negatively impact student attendance records or exemptions. If you choose to self-quarantine, please contact your campus secretary beginning Monday in order to set up an academic plan.

Hooks ISD is asking the community to heed CDC requirements to self-quarantine if you feel symptomatic, believe you have come in contact with someone infected with the coronavirus, or traveled to an infected location, you should contact your healthcare provider as soon as possible.

The district is staying informed by participating in the daily TEA COVID-19 Superintendent call with the Texas Commissioner of Education. We also continue to closely monitor all information from the Texas Education Agency and the Department of State Health Service websites.

All UIL events including athletic, music and academics have been suspended from March 16 to March 29 or until further notice.

Please continue to monitor the school website and Facebook for other updates pertaining COVID-19.

Sincerely,

Keith Minter
Superintendent
Hooks ISD
