

# ***HORNET HEADLINES***

Dear Parents,

With the holiday season approaching fast we understand it's easy for kids to get sidetracked. We know this is a very exciting time of the year, but want to make sure all students are continuing to be successful. If you have any issues with your child's homework not being completed please contact the site coordinator and let them know.

Please remember parent participation plays an important roll in the ACE program. Parents are required to attend at least two family events per semester to stay within the guidelines of the Nita M. Lowey 21st Century Community Learning Center Grant.

Have a wonderful November! We have enjoyed seeing the family's come out and support the ACE program during our family events. I want thank each family for participating and showing your support for the program .

Sincerely,
