Comprehensive Needs Assessment

Hooks Junior High School

2021-2022

Demographics

Demographics Summary

Hooks Junior High School is located in the rural community of Red Bank which is in Northeast Texas and about two miles north of the Hooks, Texas. Hooks is a small township that sits along the Red River in the northeast corner of Bowie County. Hooks is situated just a few miles west of the city of Texarkana. The total student population has been progressively plummeting as the result of reduction in employment in the region. However, this year HJHS's enrollment increased 6% even with the Covid-19 pandemic.

On September 21, 2021, there were 271 students enrolled in grades 5th through 8th.

The economically disadvantaged population is 61%.

The Race/Ethnicity demographics are as follows:

Enrollment by Ethnicity:		
Hispanic	18	6.64%
American Indian/Alaskan	0	0%
Asian	1	.37%
African American	35	12.92%
Hawaiian/Pacific Islander	0	0%
White	192	70.84%
Two or More	25	9.23%
Total District Enrollment	271	100%

As of September 13, 2021, Hooks Junior High had 26 teachers, four paraprofessional support staff, one campus counselor, two campus administrators, and 2 other staff members. 23 teachers are classified as homeroom teachers. Homeroom classes have an average student: teacher ratio of 12:1.

Demographic Needs:

- Hire a new interventionist for Tier III reading and math.
- Implement the new intervention program Reading By Design Literacy intervention system purchased for Tier III reading.
- Improve RTI for all students' campus wide, with a RTI period.
- Improve the effectiveness of Tier I and Tier II instruction to meet the educational needs of economically-disadvantaged and white students.
- Improve the effectiveness of instruction as well as implementation of accommodations of modification in order to meet the educational needs of students with special needs.

Student Achievement

Due to the COVID-19 Pandemic, no A-F ratings were assigned based on accountability and ratings were waived for the 2020-2021 school year by the Texas Education Agency. STAAR data from the 2020-2021 school year will be utilized to address student academic needs with accelerated targeted instruction to improve student achievement for the 2021-2022 school year.

Student Achievement Strengths:

- Consistent scores in reading on STAAR
- Improved scores in writing, math on STAAR
- Improved scores in Social Studies and Science

Student Achievement Needs:

- Increase student achievement in 5th science.
- Increase differentiation of student instruction in all grade levels to provide for both intervention and enrichment.
- Improve fluency in both reading and math.
- Improve 5th grade math scores.
- Increase masters and meets levels on all tests.

School Culture and Climate

School Culture and Climate Summary

Hooks Junior High School is a diverse community with a variety of cultures, backgrounds, and family structures. HJHS requires students to be respectful, encourages students to be honest, organized, neat, energetic, team working kids who set high goals.

Surveys indicate that most students and staff feel that the HJHS campus is a safe environment in which to work. Reports of bullying are evaluated systematically.

Curriculum, Instruction, Technology and Assessment

Curriculum, Instruction, Technology and Assessment Summary

HJHS shares the vision of the district to be a dynamic learning community vigorously pursuing student success, challenging all to achieve excellence in our ever-changing global society. The goal of 5th through 8th grade is to develop responsible and productive students by delivering appropriate and individualized educational experiences. Algebra 1 is offered to qualifying 8th grade students. Students who successfully complete the Algebra 1 course will earn a high school credit. Eighth grade students will participate in our new Introduction to Agriculture and earn a high school credit as well.

Curriculum guides are directly connected to the state standards (TEKS) and reflect the English Language Proficiency Standards (ELPS). The TEKS Resource system is used to guarantee that each objective is taught to the rigor and specificity required for success. The integration of technology into a hands-on curriculum engages students and adds to understanding.

Curriculum, Instruction, Technology and Assessment Strengths:

- Subject area teachers meet to set up vertical alignment for content being taught.
- All classrooms have projectors and document cameras.
- All reading and math classrooms have at least two desktop computers.
- Most classrooms have SmartBoards.
- All students have access to a variety of educational software.
- HJHS has two labs with about 28 desktop computers in each lab.
- The Internet is available for classroom use.
- Grade level teams meet regularly to discuss student data, lesson plans, and best practices.
- Lesson plans are online

Curriculum, Instruction, Technology and Assessment Needs:

- All students will be trained over Google Classroom to prepare for possible remote instruction.
- Technology will be maintained and upgraded.
- Staff will be trained to use new technology and software.
- Chrome book carts have been implemented, one cart per grade.
- More Chrome carts will be added to our campus so that three teachers will share one Chrome cart.

Family and Community Involvement

Family and Community Involvement Summary

At Hooks Junior High parents and guardians are encouraged to form a team with their children's teachers in an effort to promote good communication which will help in meeting the needs of the child. The Remind APP is utilized for each grade level as well as remote learners for student and parent communication. The Skyward Family Access has proven to be a useful tool for parents to monitor grades and absences. Calendars, newsletters, agendas, weekly reports and progress reports help to keep parents informed of homework, projects, and discipline. The ACE program offers parents many opportunities to be involved in school and community activities.

Family and community Involvement Needs:

- Parents need to be better informed about STAAR testing.
- Parents need to be better informed about educational opportunities for students.
