Student Achievement

Student Achievement Summary

Hooks Junior High school employs an interventionist to increase student growth in Tier III math in grades 5th through 8th. Recently HJH implemented an intervention program for Tier III reading. We are adding new components for “Maneuvering in the Middle” as an additional recourse for math intervention. The Campus Improvement Committee along with RtI teachers and principals set out to improve RTI and accelerated instruction for all students campus wide, by adding an RTI class period to the instructional day. HJH strives to improve the effectiveness of Tier I and Tier II instruction to meet the educational needs of economically disadvantaged and focus student groups. Hooks Junior High will work to continue to improve the effectiveness of instruction as well as implementation of accommodations and modifications to meet the educational needs of students with special needs.

The State of Texas Education Agency has not released school ratings. Hooks Junior High School does not have a rating as of now. STAAR data from the 2023-2024 school year will be utilized to address student academic needs with accelerated targeted instruction to improve student growth and achievement for the 2024-2025 school year.

Curriculum, Instruction, Technology and Assessment

Curriculum, Instruction, Technology and Assessment Summary

HJHS shares the vision of the district to be a dynamic learning community vigorously pursuing student success, challenging all to achieve excellence in our ever-changing global society. The goal of 5th through 8th grade is to develop responsible and productive students by delivering appropriate and individualized educational experiences. Algebra 1 is offered to qualifying 8th grade students. Students who successfully complete the Algebra 1 course will earn high school credit. Seventh and eighth grade students will participate in our new Introduction to Agriculture and earn high school credits.

Curriculum guides are directly connected to the state standards (TEKS) and reflect the English Language Proficiency Standards (ELPS). The TEKS Resource system is used to guarantee that each objective is taught to the rigor and specificity required for success. The integration of technology into a hands-on curriculum engages students and adds to understanding.

Curriculum, Instruction, Technology and Assessment Strengths:

Hooks Junior High school teachers meet by subject to ensure vertical alignment for content is being taught. All classrooms have access to innovative technology to enhance instruction. All tested subjects have classroom sets of Chromebooks and Smart Pannells for students and teachers to use during instruction. 92% of parents and 95% of teachers are satisfied with the technology and instructional resources available to students and teachers. HJH has 13 Chromebook carts for instructional utilization by all students. Every tested subject has a full classroom set for student use in academics. Staff will be trained to use recent technology and software as needed. 82% of parents feel like teachers are sensitive to their child's learning style. Teachers will continue to ensure differentiated instructional curriculum to address different learning styles in classrooms.

Family and Community Involvement

Family and Community Involvement Summary

At Hooks Junior High, parents and guardians are encouraged to form a team with their children's teachers to promote effective communication which will help meet the child's needs. The Remind APP is utilized for each grade level for student and parent communication. The Skyward Family Access has proven to be a useful tool for parents to monitor grades and absences. calendars, newsletters, agendas, weekly reports, and progress reports help to keep parents informed of homework, projects, and discipline.

Family and community Involvement Needs:

81% of parents surveyed felt teachers and school personnel inform their child and themselves regularly about how he/she is doing in school. Hooks Junior High school will work hard to help parents to be better informed about their child's academic progress. HJH will also be more diligent to better inform parents about educational opportunities for students. Each teacher will also communicate with parents 2 or more times, 1 per semester, about positive progress concerning their child.

Hooks Junior High PFE Policy

24-25 Parent & Family Engagement (PFE) Program	
What is it?	Hooks ISD is committed to our vision: To be a dynamic learning community vigorously pursuing student success, challenging all to achieve excellence in our ever-changing global society. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
Family Conferences	Conferences offer a time for the school and family to communicate necessary information. All guests must enter through the main office entrance and receive a guest badge.
How to be involved	<ul style="list-style-type: none"> ❖ Become a member of various campus committees ❖ Attend conferences and campus activities ❖ Talk to your child's teacher about how to assist with activities and/or events ❖ If you need assistance contacting your child's teacher please contact the office at 903-547-2568
Family Trainings/Activities	All Hooks ISD trainings and activities are located at the link below or by contacting the campus office. https://www.hooksisd.net/page/calendar
Curriculum	Hooks Junior High utilizes high-quality curriculum that supports student success.
Forms of Academic Assessments	Hooks Junior High has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by MAPs, DMAC and TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards . Hooks Junior High tracks each child's growth throughout the year via local assessments.
Ways to Request regular meetings	You may bring any suggestions, ideas, or concerns/questions to the conferences mentioned above. However, if you need to meet with the administrators or a teacher at another time, you may email that individual person, or call the office to set up a time to meet. We welcome you as we want our school to be a place where everyone feels safe and welcome.
