## **Vision Statement**

Our vision in Hooks ISD is to be a dynamic learning community vigorously pursuing student success; challenging all to achieve excellence in our ever- changing global society.

## **Mission Statement**

Our Mission is to graduate responsible and productive citizens prepared for success by delivering appropriate and individualized educational experiences.

## **Belief Statements**

- We believe empowering student passion for learning is essential to their future.
- We believe the lifelong process of adult learning is crucial to student success.
- We believe active leadership cultivates purpose driven leaders at every level.
- We believe change is inevitable; growth is the result.
- We believe acknowledging diversity strengthens learning.
- We believe collaboration and inclusion are cornerstones of a unified learning community.
- We believe that accepting individual responsibility results in shared accountability.

## **Hooks ISD Board of Trustees**

Scot Duncan	President
Mark Harpold	Vice President
Kathy Allen	Secretary
Brandt Henry	Board Member
Nathan Harris	Board Member
Darren Godfrey	Board Member

## **Hooks High School Campus Improvement Committee 2025-2026**

Beverly Shannon	Principal
Michael Jackson	Dean of Students
Shelley Hackett	Counselor
Hal Hillis	CTE Director
Mandy Smith	Community Representative
Latasha Harris	Community Representative
Blake Carlow	Business Representative
Monica Kelley	Business Representative
Amber Jackson	Parent
Jeff Roach	Parent
Callie Morphew	Resource Teacher
Brian Leeper	Teacher
Amber Sarter	Teacher
John Baugus	Teacher
Kacie Russell	Teacher
Angie Duke	Teacher
Heather McFaul	Teacher
Rowdy Peacock	School Staff
Josie Schilling	Student
Walker Davis	Student

# Every child, prepared for success in college, a career or the military.

## **School Profile**

The Hooks High School (HHS) is located within the city limits of Hooks, Texas. Hooks is a small community located in the northeast corner of Bowie County, just a few miles west of the city of Texarkana.

Hooks High School serves approximately 323 students in grades 9-12.

The High School offers a challenging curriculum that meets or exceeds the requirements of the Texas Education Agency. The high school Graduation/Foundation Plan requires the students to choose an endorsement, a personal pathway of study. Much as a student would pick a major in college, the new option for an endorsement provides a targeted area of study. All students entering the 9th grade in 2014 and thereafter will be required to select an endorsement pathway and a Program of Study. The endorsements offered at Hooks High School are STEM, Business and Industry, Arts and Humanities, Public Services, and Multidisciplinary. Hooks High School offers a variety of Career Technology Education Programs of Study, as well as, UIL athletics; UIL band; UIL academic opportunities; and in addition, students have the opportunity to earn college credits through concurrent enrollment in dual credit classes.

The adequate, well-kept facilities and classrooms are fully sufficient for educational excellence. Public Support for education in HHS is evident both in the community and through the parent volunteer programs. The administrative and instructional staff are motivated to produce confident, qualified leaders as they graduate and leave Hooks High School.

## Hooks High School Demographics as of October 16, 2025

### Enrollment by Ethnicity:

Hispanic	25	7.74%
American Indian/Alaskan	2	.62%
Asian	1	.31%
African American	43	13.31%
White	215	66.56%
Two or More	37	11.46%
Total Enrollment	323	100%

## Student Achievement

Student achievement data comes from reports in the Texas Academic Performance Report, PEIMS, PBMAS, and State Accountability. We disaggregate our data (with the help of DMAC) by passing rates in subject and grade and by advanced rates. The achievement gap between our white and African American population is decreasing. Economically disadvantaged students are also moving closer in achievement ratings to the All Student group. While our state assessment scores are good, one of our biggest areas of concern at Hooks High School and statewide is our students not making the progress they will need in order to perform at the final phase in level over the next few years. Intervention programs are in place, but continued research and innovation are needed to eliminate achievement gaps and to make sure progress is made toward the final phase in level.

### Student Achievement Strengths:

- Percentage of students meeting satisfactory performance exceeds state average in all content areas,

**Student Achievement Needs:** Increase differentiation of student instruction in all grade levels to provide for both intervention and enrichment.

### **Curriculum, Instruction, Assessment**

The curriculum director of Hooks Independent School District is responsible for supporting development and implementation of district curriculum. The curriculum department provides district leadership in the following areas: development and delivery of instruction, interventions for students, professional development, assessment, instructional technology, and instructional resources. The needs assessment for curriculum and instruction includes review of the district curriculum, methods of delivery as well as monitoring efforts to determine effective implementation.

At Hooks High School we share common goals and concerns for the commitment to the welfare of all children. The goal of the 9-12 curriculums is to ensure that all students will learn the same core of significant content at a specific instructional level, from teacher to teacher and grade to grade. Although the curricular objectives are aligned with national content standards, Texas Essential Knowledge and Skills, and state-mandated tests, the overriding goal is to design a curriculum that is academically rich, holistic, student-centered, and culturally diverse, honoring input and contributions from all Hooks ISD stakeholders. Hooks High School is committed to the development of an exemplary system-wide curriculum that promotes high expectations for its teachers and students that result in meaningful student learning. The system-wide curriculum can best be described as a thinking curriculum, one that integrates content, process, and product, typifying real world situations. The decisions, strategies, and practices supporting the alignment of the written, taught, and tested curriculum will be rooted in internal and external research critical to providing optimum learning opportunities for all students. Professional development will be provided to ensure teachers have the necessary skills to provide remote instruction to students.

## **School Culture**

Hooks High School is a diverse Learning Community that strives for excellence by nurturing the many different cultures and backgrounds in our community and school. We offer a wide variety of classes to encourage students to excel in their academic and extracurricular activities; also to set goals for success. HHS makes it our goal to graduate responsible and productive citizens ready for a global society through the many offerings. HHS is centered on student success by exhibiting positive professional attitudes with and towards our students and community. Our students are self-disciplined and strive to be good stewards of our school. Family and community surveys show that 92.5% believe discipline is applied fairly and consistently for all students. (5% of parents believe when they contact the school about a question or concern, someone from their child's school responds in a timely manner. 89.1% of parents believe teachers and school personnel inform their child and them regularly about how he/she is doing in school. (Phone calls, progress reports, emails, etc.) 93.3% of parents responded that it is clear that high levels of engaging, and relevant instruction are important at the high school. 94.1% of parents surveyed were satisfied with their child's academic progress. 95.8% of the parents surveyed were satisfied with the technology and instructional resources available to their children.

97.2% of the high school staff surveyed believe students are effectively encouraged to behave well, relate well to others, and have positive attitudes toward learning. 91.7% of staff stated that routines and rules are implemented consistently and communicated clearly to students, parents, and staff. 97.2% of our staff believe that our school works with parents to build positive relationships and to engage them as partners in their child's learning. Teachers at Hooks HS collect, interpret, and use data related to student achievement to guide decision making. Only 66.7% of the staff believe that discipline is applied consistently for all students while 87.9% of the students believe the school has clear rules and consequences for behavior. Only 72.2 percent of staff believe the facilities are clean and well-maintained while only 67.8% of students believe school facilities are kept clean. 100% of staff report that their students as well as themselves feel safe at school, while only 65% of the students believe harassment, intimidation and bullying are addressed by teachers, staff and principals. Public access to the High School Campus is limited to the front entrance and open access areas are being fenced. 92.5% of students surveyed state that good grades are important to them. 88.3% say that classrooms are orderly and a good environment for learning.

## **Family and Community Involvement**

Parental and community involvement are areas of focus for Hooks High School. Parental involvement continues to grow all across the campus as parents/guardians are invited to attend many events. Involvement has increased at the campus level in parent organizations, site-based decision making, and family night activities. Our parents and guardians attended *Parent/Teacher Conferences* in the fall and *Parent Teacher/Conferences* in the spring. The Veterans Day programs are well-attended by local veterans and family members of those students performing. The School Health Advisory Committee is active and plans relevant programs for students and community. Family Skyward access has proved to be a useful tool for parents to monitor grades, absences and discipline. According to a recent parent survey, parents and guardians agree that Hooks High School is continuing to improve in the area of family and community involvement. The survey also shows that the community agrees that community members are welcome to attend school events, the communication between the campus and community is strength, and the campus maintains a good relationship with all community members. At our Hooks High School, our parents and community have an overall belief that our school is safe and effective.

## Federal, State and Local Funding Sources 2025-2026

Federal funding sources will be integrated and coordinated with State and Local funds to meet the needs of all students.

This school wide program will consolidate funds in the following way:

\_\_\_\_\_ Full Consolidation of Funds    \_\_\_\_\_ Consolidation of Federal Funds Only      X   Title I, Part A Only

Federal Program/Funding Source	
Title I, Part A	\$201,310
Title II, Part A	\$26,687
Title IV, Part A	\$17,385
National School Lunch and Breakfast Program	\$570, 000
Title V, Part B Rural	
State Program/Funding Source	
State Compensatory Education	\$753, 491
Career & Technology	\$1,230,475
Early Education	109,928
Special Education	\$1,330,374
Bilingual/ESL	\$16,845
Dyslexia Allotment	\$87,632
School Safety Allotment	\$118,147
Gifted and Talented Allotment	\$17,274
Textbook Fund	\$50,000
CCMR	\$ 34,000

# Hooks High School

**Goal 1.** Provide all staff with a foundation of support to promote leadership and success.

**Objective 1.** All staff will be provided with the time, resources, and training to become a Professional Learning Community.

Activity/Strategy	Person(s) Responsible	Timeline	Resources	Evaluation
1. All staff will be given opportunities to improve their instruction and broaden their knowledge of the diverse needs of their students, especially Economically Disadvantaged students, white students, African American students and ELL students through staff development in all academic areas. The PD will be developed and presented by the professional development provided by the district through Region 8 and trainings from companies that technology programs were purchased. . (Title I SW Elements: 1.1,2.2,2.5) (Target Group: All,AA,ECD,SPED,GT,AtRisk,Dys,9th,10th,11th,12th) (Strategic Priorities: 1)	Principal(s)	August - March	(S)Local Funds, (S)State Compensatory	Criteria: Committee will meet and revise the CIP and copies will be provided each committee member.  10/05/25 - Some Progress 05/11/25 - Completed 01/27/25 - Significant Progress 01/27/25 - Significant Progress 09/16/24 - Some Progress 01/31/24 - Some Progress
2. High quality teachers and paraprofessionals will be sought, hired and retained to fill vacancies. The electronic application system will be utilized to help find quality applicants. A minimum of three references will be checked. (Title I SW Elements: 1.1,2.6) (Target Group: All) (Strategic Priorities: 1) (CSFs: 1,2,7)	All Staff, Department Heads, District Personnel, Principal(s)	September-August	(F)Title II, (S)State Comp FTE, (S)State Compensatory	Criteria: Sign-in sheets and agendas from staff development sessions. Professional Development will be evaluated locally to determine the effectiveness of training.  10/05/25 - Some Progress 01/27/25 - Some Progress 09/16/24 - Some Progress 08/30/23 - Some Progress
3. Provide professional development and training that will drive instruction and increase academic achievement. (Title I SW Elements: 2.2,2.5) (Target Group: All) (Strategic Priorities: 1,3)	Assistant Superintendent of Instruction, Principal(s), Teacher(s)	Aug, Oct, Jan, March	(S)Local Funds	Criteria: Retain sign-in sheets and agendas and Curriculum Alignment documentation.  10/05/25 - Some Progress 05/11/25 - Completed 01/28/25 - Significant Progress 09/16/24 - On Track 01/31/24 - On Track 08/30/23 - Some Progress
4. To encourage new teacher recruitment,	Assistant Principal(s),	August - March	(S)Local Funds	Criteria: The number of teachers

## Hooks High School PFE Policy

25-26Parent & Family Engagement (PFE) Program	
<b>What is it?</b>	Hooks ISD is committed to our vision: To be a dynamic learning community vigorously pursuing student success, challenging all to achieve excellence in our ever-changing global society. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
<b>Funding</b>	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children
<b>Review</b>	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
<b>Family Conferences</b>	Conferences offer a time for the school and family to communicate necessary information. All guests must enter through the main office entrance and receive a guest badge.
<b>How to be involved</b>	<ul style="list-style-type: none"> <li>❖ Become a member of various campus committees</li> <li>❖ Attend conferences and campus activities</li> <li>❖ Talk to your child's teacher about how to assist with activities and/or events</li> <li>❖ If you need assistance contacting your child's teacher please contact the office at 903-547-2215</li> </ul>
<b>Family Trainings/Activities</b>	All Hooks ISD trainings and activities are located at the link below or by contacting the campus office. <a href="https://www.hooksisd.net/page/calendar">https://www.hooksisd.net/page/calendar</a>
<b>Curriculum</b>	Hooks High utilizes high-quality curriculum that supports student success.
<b>Forms of Academic Assessments</b>	Hooks High has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by MAPs, DMAC and TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
<b>Expected Achievement levels on academic assessments</b>	The State's Performance Standards can be found on this website: <a href="https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards">https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards</a> . Hooks High tracks each child's growth throughout the year via local assessments.
<b>Ways to Request regular meetings</b>	You may bring any suggestions, ideas, or concerns/questions to the conferences mentioned above. However, if you need to meet with the administrators or a teacher at another time, you may email that individual person, or call the office to set up a time to meet. We welcome you as we want our school to be a place where everyone feels safe and welcome.
