WELCOME

Hello, I am Denise Smith and I teach algebra I. This is my 33rd year to teach math and I can honestly say that I love teaching math now more than ever. Algebra has always been my favorite math. I am looking forward to another year teaching my algebra!

ALL ABOUT ME

Quotes from past students:

"I like how our algebra teacher can bring humor into the subject we're learning. I look forward to algebra every day because our teacher is strict but nice."

"My math teacher is great. She explains algebra so well. She makes it easy for me to understand"

"This year math has been fun, easy, and a challenge."

THESE ARE A FEW OF MY FAVORITE THINGS..
