Cook spoke on the fact that even though we are a DOI we should continue with our SHAC because of the beneficial projects it has offered in the past. It was decided and agreed that SHAC will continue to meet but have a requirement of 2 meetings per year. This will be included in the upcoming DOI plan. 2) 72 hours prior notice of upcoming meetings must be posted on the website, the central office and at each campus in the district. 3) SHAC must make audio or video recordings of the meetings and submit to the district along with minutes no more than 10 days after the meeting. The recording and minutes are to be posted on the website. 4) Sexual Ed. Curriculum, T. Cook explained the process of choosing new curriculum. Because there are still unanswered questions no decisions can be made at this time.

Potential Activities for SHAC: It was recommended we consider doing some health teaching at the monthly Community Sr Luncheon, getting involved with Community Easter Egg Hunt and continuing the Teacher Snack Breaks.
